## **Parking and Directions**

**Parking Hours.** The off-site parking area (see map) will open at 11:00 a.m. Campus parking will be available beginning at 11:30 a.m.

**Handicapped Parking.** A designated parking area — *for vehicles with handicap license plates or mirror hang tags* — will be provided on campus.

**Parking Areas.** Although parking will be available on the Rawhide campus, visitors — especially those traveling from the Appleton and Oshkosh areas — may find it more convenient to utilize off-site parking, located just west of the intersection of County Road W and HH, and be bussed to and from the Rawhide campus.

**Routes to Rawhide.** Due to the annual Caledonia Fest celebration, traffic will be routed around Readfield. Look for signs that will be posted at key intersections as you draw close to Rawhide.

**Please review the map and follow these directions in lieu of GPS routing:**

### **From the Northeast (Green Bay/New London)**

- Starting from the intersection of Highways 15 and 45 in New London:
  - North on Business 45 1 block to Beckert Road
